

2013 National Safety Stand Down

Meet your fellow aviators at the 4th Annual National Safety Stand Down. This year pilots across the country will come together as a Safety Community to participate in a dynamic, interactive program devoted to Local Safety Issues, Loss of Control, and the number one aviation fatal factor – Human Error. Don't miss this opportunity to hear from local flying experts, participate in dynamic discussions, and gain practical insights on how you can learn more from accident reports and reduce errors in your own flying. Be a part of the safety community.

Directions: Exclusive Aviation is located on the SE corner of the Downtown St. Paul Airport. Travel to the end of Eaton ST, continue through the gate, take your first left, the facility is on your left.
